## Guide

FALL  2016

## CARE TEAM

Making disciples is God's designated way to release the power of His gospel on every problem we face. How do we do this? When God puts someone in your path, who is stuck, discipleship means finding out why and then helping them solve that problem. Get to know them. Find out where they are in life, on their spiritual journey, and what's holding them back. It's the "making disciples" thing to do.

LH Prayer Room | Twice a Month  
Exact day/time TBD by the group
