GO ASSESSMENT

We believe God created humans to be in relationship with Him and through the restoration of that relationship in Jesus we are called to join Him in making all things new, bringing heaven to earth right here, right now.

It is our desire to be a community of Christ followers that is poured out by going instead of staying. We invite you to engage in the following excersizes to stir the going spirit in you.

- Ask God how He wants to use and empower you where you are to bring His kingdom realities alive in those around you.

- Ask God if He wants to use you to be a part of a new house church or new church expression team in order to share the love of Christ with those who have yet to know Him.

- List some relationships that you have outside of your "Christian" bubble.

- Ask God to show you how to love and get to know them more deeply
- Ask God to help you see opportunities to bring His kingdom to life in their lives
- Invite someone from your list to share a meal with you this month
